DIVORCE *Care*

A Seminar & Support Group

Gain Understanding & Recovery

Divorce and separation cause pain and a sense of loss. Broken relationships with family and friends often leave you feeling like you were divorced from your whole life. If this has happened to you don't despair, there is help available.

DivorceCare is a series of support groups and seminars conducted by people who understand what you are experiencing. Learn how to deal with the pain of the past in order to gain understanding and recovery.

You will interact with people in small groups who understand what you are feeling and will be able to offer you encouragement. You'll also have a chance to talk about the information presented during the seminar.

DivorceCare is non-denominational. The program features Biblical teaching for those recovering from divorce and separation.
